We are filled with gratitude.

This past year has been filled with blessings and opportunities. We continue to create a community that fully lives into our vision: We are a nurturing, beloved community, growing authentic Christian faith, living Christ-inspired action.

We have shifted our staff to include a Chaplain, Church School Coordinator and Director of Community Life. We are working to restructure our governance model to better represent our congregation and the work we are called to do. There is a palpable sense of renewal and possibility.

Your generous contributions have been at the heart of our achievements, allowing us to extend a welcome, provide support and make a significant impact both within our congregation and in the wider community. Thank you!

Here we are, looking toward 2026. Your continued support will allow us to grow to new heights in our community engagement, spiritual development and mission and justice acts.

Enclosed you will find a pledge card and the various ways you can contribute. Below are QR codes for an online pledge form (if you prefer to complete the form online) and an online Time & Talent survey. With your help we can continue to be a vibrant and vital place of hope and faith in our community. Thank you for being part of our community.

With heartfelt appreciation,

FCCB Leadership Team:
